

EUROPEAN FIRST RESPONDER INNOVATION MANAGERS
PLATFORM
MICHIEL POPPINK INSTITUTE FOR SAFETY

We do it for..

Innovation hits the street

Challenges

- Growing demand
- Reinvent the wheel
- Highly fragmented
- International scope
- Budgets decline
- Supply driven projects
- Interoperability

What is EFRIM?

- Informal European platform
- Innovation managers of first responders organizations
- Research
- Sharing knowledge

What is EFRIM doing?

- Bring together policy makers, stakeholders and R&D managers;
- Discuss challenges and incidents;
- Develop special interest groups;
- Do research;
- Articulate the needs of the first responders;
- Develop projects with industry and knowledge centers.

Next steps

- Formalizing network;
- Further develop the network;
- Cooperate Community of Users;
- Network call H2020
- 23rd and 24th of February 2016
Manchester, United Kingdom
